

Amore! The Miata Tuscany Driving Tour

October 12-20, 2019

Join *Blue Strada Tours* this Fall for a driving journey into the heart of Italy. Six days driving the rolling backroads of Tuscany and Umbria, with time still to explore the quaint towns of Siena, Orvieto, Montalcino, San Gimignano, Civita di Bagnoregio and more.

The Miata Amore Tour includes 2 overnights in the Eternal City of Rome, 3 nights in the ‘World Heritage’ city of Siena, and 3 nights just a short distance from Orvieto, in Collazzone. The scenic roads and rolling hills of Tuscany, Lazio, and Umbria are what connect these amazing cities for 8 days. Be assured, it will be a truly magnificent driving experience. Enjoying lunch or a coffee in small villages along the way will endear you to the rural life and culture that Italy is so famous for.

An extraordinary Miata enthusiast and collector welcomes us to Miataland Resort, a classic Italian villa style inn that also houses his collection of Miatas. Staying at Miataland Resort for 3 nights could be only be enjoyed more by adding guests from around the world where the Miata has captured other enthusiastic owners.

A 16th century Inn overlooking Siena will be home for additional nights while we explore more of Tuscany including beautiful historic villages and some of the most famous regions for Italian wine.

Blue Strada’s experienced Tour Leaders have spent many hours organizing the driving routes and hospitality to deliver a motoring excursion you will always remember with a smile. The Miata Amore Tour starts and ends in Rome. Expanding your visit to this fabulous city is also now quite simple to do.
