## **The 2023 Miata 'Amore' Tuscany Driving Tours**

Join **Blue Strada Tours** in 2023 for a driving journey into the heart of Italy. 6 days driving the rolling backroads of Tuscany and Umbria, with time still to explore the quaint towns of Siena, Orvieto, Montefollonico, San Gimignano, Chianti Region, Pienza and more.

The Miata Amore Tours include an overnight in the Eternal City of Rome, several nights in the ‘World Heritage’ city of Siena, and 3 nights just a short distance from Orvieto in Collazzone. The scenic roads and rolling hills of Tuscany, Lazio and Umbria are what connect these amazing cities for 8 days. Rest assured; it is an exhilarating driving experience. Enjoying lunches and Italian coffees in small villages along the way will endear you to the rural life and culture that Italy is so famous for.

Andrea Mancini, an extraordinary Miata enthusiast and collector, welcomes us to Miataland—a classic Italian villa style inn that is home a personal collection of Miatas. Staying at Miataland is enjoyable in itself, but adding guests from around the world where the Miata has other enthusiastic owners makes it even more so.

A 16<sup>th</sup> century Inn overlooking Siena will be home for additional nights while we explore more of Tuscany, including beautiful historic villages and some of the most famous regions for Italian wine.

Blue Strada’s experienced Tour Leaders have spent many hours organizing the driving routes and hospitality to deliver a motoring excursion you will always remember with a smile. The Miata Amore Tour ends in Rome. Adding more days in Rome at the end of your tour is encouraged and our assistance will be available as needed.
