

2024 Miata "Let's Explore Sardinia" Driving Tour

Join us in 2024 for a driving journey to the island of Sardinia now an important part of Italy, but only since late 1800s. Driving the rolling coastline roads and backroads of central Sardinia, with time still to explore the quaint towns of Castelsardo, Porto Cervo, Villasimius, Cala Brandi chi, and the Roman villages of Nora and Tharros.

The Explore Sardinia Tour includes an overnight in the Eternal City of Rome, before the scenic roads and rolling hills of Tuscany, prior to departing for Sardinia. Rest assured; it is an exhilarating driving experience. Enjoying lunches and Italian coffees in small villages along the way will endear you to the rural life and culture that Sardinians are so proud of.

Sardinia is an island that is roughly 9,000 square miles, and with spectacular coastline roads to enjoy the views. Small villages and coastal resorts dot the coastline the entire way around.... 1,150 miles of winding, meandering roads with mountains as high as 6,100 feet in the Central region of the island.

Sardinia is so famous for... Supercheddu... Culurgiones... Malloreddus... Spezzatino con Piselli and amazing red wines. Join us so you too can discover just how delicious this very special place is.

Blue Strada's experienced Tour Leaders spend a lot of time locating the best driving routes and hospitality so your motoring excursion will always be remembered with a smile. The Sardinia-Tuscany Amore Tour ends in Rome. Adding more days in Rome at the end of your tour is encouraged and our personal assistance is available as needed.
